To: The Coal Institute Membership  
From: Barbara Coppola, President

## INVOICE FOR 2014-2015 MEMBERSHIP DUES/DIRECTORY UPDATE

Thanks to the continuing support of our members, The Coal Institute is having another successful year. Our Spring Meeting and Summer Trade Seminar featured nationally recognized speakers who educated, inspired and entertained us, and our upcoming Fall Education and Engineering Seminar will continue this exciting tradition for our members.

This year, The Coal Institute has donated a total of \$78,000 in educational funding, providing eleven college scholarships and financial aid to a wide variety of CEDAR educational activities which provides coal-related classroom activities for teachers and students from kindergarten through high school. Since 1994, your membership dues and generous sponsorships have enabled The Coal Institute to donate \$850,000 to important educational efforts in support of the coal industry. We hope you agree that your membership in The Coal Institute and your participation in our meetings provide the best bargain in the coal business!

Our officers, directors and committee members (who are all volunteers) endeavor to ensure that The Coal Institute provides presentations of timely topics and interactions with individuals having expertise in a wide variety of industry-related fields, all in a relaxed forum to facilitate maximum peer-to-peer interactions. We are proud of our member support and we continually pursue additional ways to increase our effectiveness by increasing our number of member companies. We hope you will encourage your business associates who are not members to consider the values of our vision and mission and to take advantage of the many benefits of membership in our organization.

Enclosed is a form that you will need to update your company's listing in The Coal Institute's Directory of Membership. For your convenience, these forms are also on-line at <http://www.thecoalinstitute.org/> where you can update the listing and/or pay dues by credit card. These forms should be submitted promptly, with your dues payment, to ensure the timely printing of the Directory of Membership and distribution at the Fall Meeting. Please review your current listing on our website carefully, where you can print the listing <http://www.thecoalinstitute.org/member-company-roster> and make any necessary changes or mark "NO CHANGE" so that we can be certain that your company has been included. If the names, addresses, phone numbers, and e-mail addresses of active participants are not listed, please add them. This information will also be updated on our website. Honorary members are also an important part of our organization. If you have recent retirees, or know of one who is not in the current directory, please add them to your listing. Again, this year our Directory of Membership will identify categories for our company members. Please identify your industry classification and return the form with your directory updates.

If the name of your company has changed, you will need to submit a request for name change on the form, signed by an authorized officer of the company. For your convenience, a signature block is included on the Directory Format Page.

***In order to ensure that your company is listed in the 2014-2015 directory that will be distributed at the Fall Meeting at Mid-Pines (October 22-23), your update and membership dues must be received by Karen Smith no later than September 7, 2014. Any member not in good standing on September 7<sup>th</sup> will not be added to the Directory of Membership.*** We appreciate your participation as a member of the Coal Institute and look forward to seeing you at Mid Pines for the Fall Education & Engineering Seminar.
